RECREATION & COMMUNITY SERVICES

Councillor Walsh advised that the committee did not meet, however a meeting is planned for next week. She did advise that Winter Carnival is coming up and asked those residents that can register through e-services to please do so. Jumpstart is still available to those who may need it and to please contact our Director of Recreation & Community Services, Wanda Wight if they have any questions. Last week there was a meeting with seniors to ask if there was anything that they would like to see happening in town. There was a good turn out for this meeting and they had many great ideas.

Councillor Cormier asked if the outdoor skating rink will be done this winter. Councillor Walsh advised that it will be started as soon as the weather co-operates.

PUBLIC WORKS & PROTECTIVE SERVICES

Councillor Cormier advised that the committee did not meet but will be meeting next week. He did advise that the Adopt a Hydrant is taking place again this year and asked residents to please look into adopting one. He also noted that all snow clearing equipment is in good working order. There was a loss in water pressure last weekend to our residents and it was corrected by town employees in less then 30 minutes.

CHIEF ADMINISTRATIVE OFFICER REPORT

Mr. Hudson noted that this time of year is one of the busiest for our administrative staff due to municipal tax bills being sent to residents.

Today he attended a meeting with the department of Municipal and Provincial affairs on the Blue Gulch dam project upgrades. Approval was given to proceed with a limited call to request a new consultant to both design the dam to CDA requirement and to tender it for construction. Upgrades on Tipping Drive and Maxwell Place was also discussed.

The cause of the water interruption last weekend was due to a main water line break on Walsh's Avenue. Town staff response was phenomenal.
