FIREWORKS PERMIT - SAFETY PRECAUTIONS & STANDARD CONDITIONS

The following precautions and conditions apply to all permits issued by the Town of Pasadena.

- The permit holder must follow the approved date, time(s), and location only.
- A sober adult (18+) must always supervise the discharge of fireworks.
- Do not discharge fireworks in unsafe conditions, including high winds. The Town may cancel a permit due to fire risk or other safety concerns.
- Use fireworks outdoors only, in an open area away from buildings, vehicles, trees/brush, and overhead wires.
- Keep a water source (hose with nozzle /buckets) and a fire extinguisher immediately available.
- Follow all manufacturer instructions and never aim fireworks toward people, buildings, or vehicles.
- Keep spectators well back and upwind of the discharge area.
- Do not attempt to relight misfires/duds. Soak duds in water before disposal.
- The permit holder is responsible for complete cleanup of debris and duds (check again the next morning).
- Non-compliance may result in ticketing/fines, permit revocation, and denial of future permits.
- Permits shall not be issued during an active fire ban or when the Provincial Fire Hazard Index is rated as “Very High” or “Extreme”.

(Applications must be submitted at least 14 business days in advance.)

Emergency: Call 911.
