

Community Hazards & Emergency Preparedness Survey

Option 1 - simply use the text box below to tell us specific areas where you are experiencing or seeing issues. Provide as many details as you can by referencing roads/intersections, property numbers, or community landmarks, and telling us what happened and when.

Option 2 – contribute to the online community map. Go to: <http://u.osmfr.org/m/1463316/>

then tap/click “Edit”  in the upper right corner. Next, tap/click the Pin symbol , the top icon in the menu on the right. Then, navigate to the location on the map that you want to make a note for and tap/click. Type a title for your note (e.g. Flooding) and then describe (e.g. Every year in the spring). When you're done, tap/click the Save icon  at the top.

If you prefer Option 1, we can add your notes to the map later.

If you prefer Option 2, remember to come back to this Survey to finish the remaining questions!
